

West Goal Is Truly Democratic Germany

Set Price For Agreeing At Big 4 Meet

Berlin, May 5.—(AP)—Western leaders served notice today the establishment of a truly democratic Germany will be their price for agreement with the Russians at the forthcoming Big Four foreign ministers' conference.

British Foreign Secretary Ernest Bevin and Gen. Sir Brian Robertson, British commander in Germany, set the keynote.

The cold battle for Berlin has ended by agreement. Now the East and West face a greater test of strength—a struggle for all of Germany.

Four-Power Agreement
A four-power communique confirmed that the Russian blockade of Western Berlin and the Western Allies' counter blockade of the Soviet zone of Germany will be lifted May 12.

The bulletin also said the foreign ministers of the United States, the Soviet Union, Britain and France will meet in Paris May 23 "to consider questions relating to Germany, and problems arising out of the situation in Berlin, including also the question of currency in Berlin." It will be the seventh such session since the war.

The communique was issued simultaneously today in London, Paris, Moscow, Washington and New York. It was in New York that the agreement was worked out among Big Four representatives to the United Nations.

World Is Relieved
Peoples around the world experienced a sense of relief when news of the understanding between Kew.

Berlin had been a powder keg for more than 10 months. At times during that period it had appeared that a new world war might be touched off in the ruined city.

Who won the strange battle here? Both sides claimed victory. While there was more than one way of looking at the turn of events, the claims of the west appeared to be the most valid. After all, the Russians had failed in the effort to force them out of Berlin.

Both sides now were looking ahead to the foreign ministers' meeting in Paris. The debate there will be conducted against a changed global background.

In the west, for instance, there is greater political and military unity, best expressed in the 12-nation North Atlantic treaty and the signing in London today of the charter of the council of Europe.

Counterbalancing this in the east, the onward rush of Communism in China has transformed the pattern of Asia.

Gen. Robertson voiced the West's determination not to bargain away fundamental democratic rights at the Paris talks. He told a news conference here:

"The solution of the whole German problem depends more on freedom of elections, of the press, speech and radio than on anything else."

Lives In Tenement With Dead Hubby For Two Months

Boston, May 5.—(AP)—The body of a man dead two and a half months was found in a south end tenement today and police quoted his wife as saying "we were both heavy drinkers and I just ignored it."

Police listed him as James Walsh, 53.

Patrolman Leonard Lilly said he found the remains after customers in a nearby tavern complained of an odor from the Walsh apartment.

He said the wife reported sleeping in the apartment every night since her husband died.

She was unable to say what caused his death, Lilly said.

Mrs. Walsh told police her husband had not worked for some time and they had been living on the proceeds of an insurance policy.

She said she formerly had been a laundress at City Hospital.

The body was turned over to a medical examiner.

State House Opens Season On Badgers

Springfield, Ill., May 5.—(AP)—The Illinois House today took out after badgers by declaring an open season on the burrowing animals.

Farm members sponsored the bill. They said cattle twist or break their legs from stepping in holes dug by badgers.

Sportsmen opposed the bill, claiming it would lead to extinction of badgers which now are protected the entire year.

House approval sent the measure to the senate.

Reds Surge Deeper Into Southeast China

Shanghai, Friday, May 6.—(AP)—Chinese communists today were reported surging into their old mountain stronghold of southeast China some 300 miles southwest of Shanghai.

This report came as other Red columns far to the west menaced the lifelines of Hankow, central China fortress.

The newspaper Sin Wan Pao in a dispatch from Minchow (Fochow) that authorities of Fukien province were getting worried as Red troops moved south from captured Hangchow.

(Fukien is the province opposite Formosa. Formosa is the island province where the government may make its last-ditch stand.)

The dispatch said reinforcements had been sent to the area around Chungking, near Fukien's north border.

Johnson Declares War On 'Fifteen Per Centers'

Washington, May 5.—(AP)—Secretary of Defense Johnson tonight declared war on "fifteen per centers" and "questionable brokers" who may try to horn in on the vast new arms program by peddling alleged influence in Washington.

Small businesses will get a big share of the defense orders, Johnson promised the United States Chamber of Commerce. One reason for this, he explained, is that the scattered location of such businesses immunizes them from atomic assault.

"To those who claim to sell 'influence at the right spots' I say 'we will drive you out of the national military establishment!'" and let those who engage in questionable brokerage activities heed this warning," the new defense chief proclaimed.

He was addressing the final session of the 37th annual meeting of the chamber, whose 1,300,000 affiliated members are mainly small businessmen.

Egyptian Official Escapes Attempted Assassination

Cairo, Egypt, May 5.—(AP)—Hamid Gouda, 65, president of the Chamber of Deputies, escaped with his life tonight when three hand grenades were hurled at his car.

Gouda was on his way home at the time. The grenades exploded, but were apparently thrown wide of their mark.

(The dispatches from Cairo gave no indication of the identity of Gouda's attackers or their motive. A military censorship still prevails in the Egyptian capital.)

Gouda is also vice president of the Saadist party, to which Premier Ibrahim Abdel Hadi Pasha belongs. The latter became premier after the assassination of Mahmoud Fahmy Nokrashy Pasha on Dec. 28, 1948. The Saadist party was formed in 1938 following a split in the Wafd party.

FE Sends 'Message Of Solid Support' To Striking UAW

Chicago, May 5.—(AP)—The CIO Farm Equipment Workers, engaged in a fight with CIO United Auto Workers for members, today wired a "message of solid support" to striking UAW Ford workers in Detroit.

The two CIO unions have engaged in intense rivalry in the farm equipment manufacturing industry recently after FE decided to defy a CIO order that it merge with the larger UAW.

Today's telegram, signed by Grant Oakes, FE president, and other officers, was addressed to Thomas Thompson, president of Ford Local 600 of the UAW. It read in part:

"If our treasury was not exhausted fighting off cannibalistic raids in the middle of our wage fight, you can be sure a contribution to your strike fund would accompany this wire."

The telegram said FE workers "extend to Ford workers a message of solid support in their fight against killing speedup which is destroying men, wages and jobs."

KILLED IN COLLISION
Kankakee, Ill., May 5.—(AP)—Lawrence P. McCann, 20, of nearby Bradley, was killed today. His beverage truck and the Wabash railroad's southbound "Banner Blue" passenger train collided at a grade crossing at Saunemin, Livingston county.

Believes Living Costs Will Decline In 1949

Washington, May 5.—(AP)—Housewives got a cheering forecast today from a top government economic expert—that there will be a "further easing" of living costs this year.

At the same time, he told businessmen not to start "digging for storm cellars" because he said the nation's economic foundations are strong enough "to prevent a collapse."

While Dr. Edwin G. Nourse was handing out this advice, a trio of Chamber of Commerce speakers was urging the administration not to go on a spending spree in an effort to promote prosperity. They said this would bring on a depression. Instead, they advocated giving private industry more freedom of action to deal with the postwar readjustment problems.

Nourse expressed his views to reporters after giving President Truman the latest analysis of the nation's economic health prepared by the White House economic advisory council which he heads.

Although the council's report was not made public, Nourse gave some of its main points.

Living costs in March were 3.2 per cent under the peak of August, 1948 and despite a slight upturn in April, he said a further drop is in prospect.

"Prices continue downward," Nourse said, "but not on a demoralized basis."

While reporting there still are "inherent" inflationary as well as deflationary "dangers," Nourse repeated earlier assertions that the country is in a period of "healthy disinflation."

"We still have it in our power to make postwar readjustments and prevent a collapse," Nourse declared.

Palomar Telescope Can See Farther Than Was Expected

Pasadena, Calif., May 5.—(AP)—Palomar observatory's 200-inch telescope can see six hundred million trillion miles farther into space than anybody expected.

Its face was dirty when the first photographs were made last February. A film of oil and dust collected on the mirror's aluminum surface during the long months of testing which followed installation of the huge glass in the telescope atop Palomar mountain in San Diego county.

This film was not removed before the first photographs were taken, says Dr. Edwin P. Hubble, Palomar astronomer, because scientists knew at that time that the mirror needed further polishing.

Dr. Ira S. Bowen, director of the Palomar and Mt. Wilson observatories, announced today this final polishing would get under way this month.

A band about 18 inches wide around the outer edge of the mirror has been found to be 20 millionths of an inch too high. It will be polished down to the correct level—a painstaking job requiring six months.

Does Own Cooking, House Cleaning On 101st Birthday

Joliet, Ill., May 5.—(AP)—Mrs. Mary Deuffer Hack was 101 today, she still does her own cooking, baking, washing and gardening but "I don't read much—except the tax bills, and they're higher."

Mrs. Hack and her only surviving son, Casper, 76, live on a 146-acre farm five miles west of Joliet. It has been their home for 36 years.

She said: "I can't do all the things I used to. I get a little tired now and then. I'd like to move to the city, but Casper says he wouldn't like it."

Mrs. Hack, one of 12 children, was born in Russia. As a girl she lived in Philadelphia, where she worked as a greenback cutter at the Federal Mint during the Civil War.

She married Nicholas Hack in 1865. He died in 1901. Four of their sons also are dead. A sister, Susan Smith, 87, lives in Chicago.

Find Missing Man In Hospital; Has Lost His Memory

Macomb, Ill., May 5.—(AP)—Sheriff Earl Barclay said today a man missing since last Friday had been found—suffering from loss of memory—in a Galesburg hotel.

Dale Provines, 42, a farmer and school bus driver, was described by the sheriff as an apparent amnesia victim. He had registered at the hotel as James Mitchell of Peoria.

The sheriff said Provines related he remembered nothing before Friday afternoon when he registered at a hotel at Burlington, Ia. He later went to Galesburg.

Provines' jeep, its windshield smashed, was found in a ditch near Macomb Friday and several farmers reported later they had seen him wandering across their fields.

A sheriff's posse, aided by airplanes, had searched the vicinity in the belief he had been seriously injured.

Provines is married and has three children. He is being returned to his home near here.

Hot People Find Stoker Is Burning

Rockford, Ill., May 5.—(AP)—The temperature was 90 degrees in Rockford today and everybody was hot. Even hotter, though, were residents of a three-story building in the Seventh street business district, and Rockford firemen.

An unidentified tenant of the building telephoned firemen that his walls were blistering hot. Firemen found the furnace roaring in the basement. They said something started the automatic stoker, which stoked a load of coal into the furnace.

The firemen decided there wasn't much to do but let the fire burn out. But they didn't stay to watch it.

\$300,000,000 School Aid Passed By Senate

Washington, May 5.—(AP)—The inequalities of education opportunities. Allotments to states would be \$5 to \$29 a pupil figured on a formula to help the states pay teachers salaries and other school operating expenses. It goes to the House.

The vote on passage was 58 to 15. Passage came after the Senate slipped down a series of major amendments. Two of them brought in the question of church and state relations dealing with schools.

One of the last amendments rejected was one by Senator Donnell (R-Mo.) to limit the bill's funds to public schools. It was snowed under 71 to 3. With Donnell, Cain (R-Wish.) and McClellan (D-Ark.) voting for it. The bill lets the states decide who gets the money.

Earlier, Senators rejected by voice vote an amendment of Senator McMahon (D-Conn.). It provided that any of the federal funds used by a state for school bus service must be available to all children, whether they attend parochial or public schools. The bill leaves this question for the states to decide.

The declared purpose of the bill is to aid in financing a minimum education program in elementary and secondary schools, and to reduce

10 West Nations Sign Charter For Council Of Europe

London, May 5.—(AP)—Representatives of 10 Western Nations signed today the charter for a council of Europe, which in effect sets up a joint cabinet and parliament.

The 10 nations are Britain, France, Belgium, The Netherlands, Luxembourg, Norway, Sweden, Denmark, Italy and Ireland.

The council is to hold its first meeting this summer in Strasbourg, France. Its functions will be limited to debate and recommendations on political, cultural and some economic matters. It is not empowered to discuss defense matters.

Conservative leader Winston Churchill, who heads a movement for a United States of Europe, may become a British delegate to the council. Deputy Prime Minister Herbert Morrison told the House of Commons the British delegation will include both laborites and conservatives and that the conservative party can choose its own representatives.

Striking Asbestos Miners Blockade Town And Fight

Asbestos, Que., May 5.—(AP)—Striking asbestos miners blocked this little city today and fought provincial authorities so hard that police reserves were ordered in to "meet violence with violence."

The announced aim of the strikers was to halt operations at the John-Manville plant, which has carried on with a skeleton staff since the walkout started Feb. 13.

Deputy police director Hilaire Beaugard said 12 of his men were injured and detective Ubald Thérien was kidnapped briefly. Some of the officers, he said, were disarmed and left handcuffed and unconscious.

Several cars were reported burned by the strikers.

"We have reached the limit of our patience," Beaugard said. "We have been trying to hold back. In view of what happened to date we are going ahead and meet violence with violence."

5 Masked Gunmen Rob Payroll Car In Broad Daylight

Cleveland, May 5.—(AP)—Five masked gunmen boldly forced a loan company car to the curb on a crowded Cleveland street today, unloaded \$25,000 in cash and drove off in a stolen auto.

The robbery victims were George Ziemba, 72, vice-president of the Lincoln Savings and Loan Co., and Anthony Bizga, a teller.

The men nearly missed the bulk of the cash—\$22,700 in fives, tens and 20's stuffed in a bag clamped between Bizga's legs. But after grabbing the seven other sacks of change from the back seat, one of the men returned and seized that.

The Lincoln Savings and Loan had been making the same half-mile trip from the Cleveland Trust Co. every Thursday for the last 30 years. The money is used to cash pay roll checks in their neighborhood.

For this reason, police believe the job was carefully planned in advance.

Solons To Get Bill To Hike Workmen's Compensation Pay

Chicago, May 5.—(AP)—The Illinois legislature will be asked to increase workmen's compensation and occupational diseases benefits by 15.4 per cent, it was reported today.

The bill represents an agreement between labor and industry leaders on amendments to the present law. It will be formally announced tomorrow (2 p.m. CDT) at their meeting with Gov. Adlai E. Stevenson at the Illinois Industrial commission offices in Chicago (160 North La Salle street, Room 1923).

A State Labor department source said the proposal provides for a \$3 raise in the basic weekly maximum of benefits, from \$19.50 to \$22.50, for a worker injured in a job accident. For workers with more than one child to benefits would be boosted \$4 weekly, from \$26 to \$30.

Death benefits would be raised from a maximum of \$5,200 for a childless widow to \$6,060 for others. Stevenson in his inaugural message urged increases. The labor-industry conference was headed by Frank Annunzio, state director of labor.

Last Minute Negotiations Break Off

Detroit, May 5.—(AP)—Halt of Ford Motor Co.'s work force went on strike today and the world's second largest auto empire faced complete paralysis.

Some 65,000 workers thronged out of two Detroit plants sharply on the noon (CDT) deadline.

Shortly afterward frantic last-minute negotiations between the company and the CIO United Auto Workers broke off abruptly. No further meetings were scheduled.

Assembly Lines Too Fast
The union charged that Ford was running assembly lines too fast at its big Rouge plant and the Lincoln-Mercury factory. The company denied the speed-up charge and said the strike violated the Ford contract with the UAW.

Several hours after the strike began, Ford charged that UAW pickets had "prevented entry into the Rouge plant by anyone." The company appealed to Dearborn Mayor Orville Hubbard to use the city's police force to guarantee free access to the plant, and to seek help from county and state authorities if necessary.

A copy of Ford's telegram was sent to Michigan Gov. C. Mennen Williams.

At the same time the company issued a statement saying a settlement of the speed-up dispute on union terms would be "an unwarranted limitation of our rights under our union contract."

'Company The Victim'
"There is only one conclusion for us to draw," the statement added. "This strike is the result of arbitrary action by the union, and the company and our employees are the victims."

A Ford spokesman said the walk-out would tie up operations in Ford's 47 other plants around the world within about a week. This would hit a total of 106,000 production workers and a small number of other employees.

Effects would also spiral out to 3,500 smaller firms supplying parts to Ford, the company said.

As workers streamed from the plants into the sweltering noontime heat, there was none of the disorder which marked the UAW's first and only other major strike at Ford. That was the bloody 10-day battle for recognition in 1941.

President Walter Reuther, of the UAW, said today's strike, first big one in the auto industry since the Chrysler walkout a year ago, would not interfere with forthcoming contract negotiations.

But many observers failed to see how it could help but have some effect if it lasts. Contract bargaining at Ford is due to start May 16.

Picket lines formed at both Rouge and Lincoln plants right on the deadline. Sound trucks blared instructions.

One striker, Earl Ellis, 52, collapsed with a heart attack and died soon after walking out.

Nine Men, Three Women Picked To Try Dr. Rutledge

Cedar Rapids, Ia., May 5.—(AP)—Nine men and three women were chosen today to decide the guilt or innocence of Dr. Howard C. Rutledge, Jr., in the "love triangle" death of his pretty wife's bachelor admirer.

The jurors, one of whom said in court that he opposes the death penalty, will take a spartan existence when court reconvenes Monday.

For at least the next three weeks they must live in two long-unused courthouse dormitories which have neither bathtubs nor showers.

The jury was completed this afternoon following a day highlighted by a jury candidate's critical reference to Mrs. Sydney Rutledge, 22-year-old wife of the defendant.

The state contends the 27-year-old St. Louis physician fatally stabbed Byron C. Hattman, 29, in a hotel room fight here last Dec. 14 after an argument about Hattman's attentions to Mrs. Rutledge.

The talsman, stricken for cause after she expressed disapproval of Mrs. Rutledge, was Mrs. Esther M. Gosselin, a Cedar Rapids housewife. The situation caused Mrs. Rutledge to blush and whisper to her husband.

Rockford To Get A Landing Craft

Chicago, May 5.—(AP)—A marine corps landing craft will be sent to Rockford tomorrow for use as a prop in a motion picture.

Marines from the base at Quantico, Va., already are there for filming a picture tentatively entitled "Pride of Main Street, U.S.A."

The film, which will require about six weeks to produce, will feature a Rockford company of the marine corps reserve. Members will be shown at their dual roles as private citizens and reservists.

The LCVP (landing craft for vehicles and personnel) will be used in scenes along the Rock river, near Rockford. It will be transported to Rockford on a trailer.

WEATHER
The Norbury Sanatorium, cooperative observer for the U.S. Weather Bureau, yesterday reported the temperatures for Thursday as follows: High, 93; low, 62; and at 6 p.m., 87. Forecast for Illinois—Partly cloudy, warm and humid today with scattered thundershowers late this afternoon or night. High 86 to 90.

A CHALLENGE TO "THE ELM CITY"
Jacksonville, sometimes proudly referred to as "The Elm City," faces a challenge in protecting its spacious elm trees against the onslaught of a virus known as phloem necrosis which has already destroyed countless trees in central Illinois, particularly in nearby Springfield, Peoria, Lincoln, Mt. Pulaski, White Hall and Mattoon.
We are in an area which is generally infected with this disease. Other cities have been faced with the large expense involved in the removal of dead trees. The time for action is before the disease strikes, for once a tree is infected there is no known way of saving it.
The matter has been called to the attention of the city council, both by Mayor Hoagland and by interested citizens. It has been suggested that an independent committee of people who know trees be appointed to study the problem and make recommendations to the council for action. This proposal is sound and should be carried out without delay.
According to an informative bulletin prepared by the Illinois State Natural History Survey, the only effective preventive treatment which has been experimentally proved is extensive spraying of elm leaves with DDT twice during the leaf growing season. With proper equipment a two man crew could spray 200 trees a day, according to estimates. Recommended mist sprayers cost between \$2,000 and \$3,000. Spraying is expensive and must be continued as long as the disease is present in the area.
The cost of annual spraying, however, may be less than the cost of removing dead trees. Moreover, the intangible value of beauty and shade from trees which could not be replaced for generations must be considered.
All of these factors and others should be evaluated by a competent citizen's advisory committee and the means of financing the program should be studied. We feel sure that the general public, alerted to the problem, would support their findings and recommendations.

Admit Prisoner To Probation

Robert Nunn of this county was

admitted to probation for a period of two years when he pleaded guilty to a grand larceny charge Wednesday in circuit court. Nunn has been in the penitentiary and at the Lincoln school and colony for the past 10 years.
He was returned to Morgan county from the penitentiary on the strength of a supreme court ruling that a person who had been committed to Lincoln as a feeble-minded person could not be tried for a felony. Nunn had been serving time on a charge of automobile theft, and the charge was amended to grand larceny.
The same supreme court ruling was responsible for the transfer of Charles Willis from the Menard prison to Lincoln, after he had served a number of years for wrecking a train.

Variety Program Given At Meeting Of Jefferson Club

A variety program was presented Tuesday evening at the meeting of the Jefferson Community club, held at the Jefferson school. Ben Beup acted as master of ceremonies.
The program included a reading entitled "My New Pink Suit" by George Fox; song and dance routine by Carol Jean Giegerich, Nancy Godfrey, Gary Birdsall, Harlan Thomas, Susan Greenburg and Diane Sassenberger, all pupils of Wanda Hopper; a tonette duet by Joyce Samples and Linda Gail Day; and selections by a chorus comprised of Harold Conlee, Irma Watts, Harlan Thomas, Juanita Covey, Janet Fernandez, Charlene Smith, Lawrence Holland, Flora Ella Stewart, Marie Kilton, Phyllis Spradlin, Jessie Devarose, Dorothy Alderson, Mary Howard and Gerald Reveal, under the direction of Mrs. Isabel Green.
Following the program a movie was shown and refreshments were served.

Beam-splitter mirrors, developed by the U. S. Army, which reflect approximately one-half the light hitting them and pass the rest through, are an improvement on earlier types, and have many possible military applications. They also may be a boon to civilian amateur and professional photographers.

City Officials At Carrollton Are Installed Tuesday

Carrollton—Ivan Beebe and Joe Alfred, the only new aldermen elected to the City Council in the April election, were duly installed at the regular meeting of the council held Tuesday evening.
T. Hough who was re-elected mayor of the city, Richard Giller, re-elected alderman, and Tom Bandy, re-elected city clerk, were also installed in office.
Mayor Hough did not name his committees for the ensuing year but announced the appointment of Meade Dixon as water commissioner for a one-year term and Dr. A. D. Baldwin and Dr. S. F. March as members of the board of health for one year. Dixon succeeds Walter Postlewaite as water commissioner. Postlewaite having resigned effective May 1, John Roth, Carrollton chief of police, was also reappointed by Mayor Hough.

Mary And Martha Circle At Chapin Entertains Guests

The Mary and Martha Circle at St. Paul's Lutheran church at Chapin entertained members of the Trinity Ladies' Aid of Arenzville and the Chapin Ladies' Aid at its last regular meeting.
The speaker for the occasion was Rev. O. J. Klinkermann, pastor of Salem Lutheran church at Jacksonville.
The program included a song contest for the group; vocal solos by Mrs. Wilbert Sieving, with Miss Eda Eckhoff as accompanist, Beverly Baker and Byron Johnson; saxophone solo, Ronald Smith; song by a trio, Beverly Baker, Carol Vanit, with Mrs. Lillian Smith as accompanist.
Refreshments were served.

E.C. Clark, Scott County Resident, Dies At Hospital

Roodhouse—E. C. (Ted) Clark, extensive Scott county landowner, died Thursday at 5:45 a. m. at Our Saviour's hospital, where he had been a patient for one day. He was 80 years of age.
Mr. Clark was a native of Scott county and was born on April 14, 1869, the son of Fletcher P. and Elizabeth Scarth Clark.
He had resided his entire life near Manchester and held extensive property and farming interests in Scott county.
Surviving are his wife, Mrs. Etta L. Swallow Clark; two daughters, Margaret of Chicago and Mrs. Ralph Homm of Roodhouse; and three sons, Dr. E. L. Clark of Evanston, which would legalize bingo games Earl of Manchester and Robert S. of Tallahassee, Fla.
The body is at the Dawdy Funeral Home in White Hall. Funeral arrangements are incomplete and will be announced later.

Northminster To Honor Mothers

Following the custom of several years, the women of Northminster church will conduct the evening service Mother's day. The service will begin at 7:30, using the theme "Cradle, Cross, Creed."
The following women will participate in the program: Mrs. Percy Fernandes, Mrs. Walter W. Wild, Mrs. Vivian Albright, Mrs. Loren DePreas, Mrs. E. H. Sheppard, Mrs. Robert Kemp, Mrs. Robert Asher, Mrs. Clyde Vasconcellos, Mrs. George Coraor, Mrs. Melvin Smith, Mrs. Paul DeFries, Mrs. Tom Fernandes and Mrs. Lawrence Smith.

Elgin, Ill., May 5.—(P)—The Illinois conference of Congregational-Christian churches today voiced opposition to the Boyles-Libonati anti-subversive bills before the Illinois legislature.
The group, at the 106th annual meeting here, said the bills if passed would "encourage witch hunts and create an atmosphere of fear and intimidation that would curb free thought and expression."
The group also urged liberalization of laws permitting displaced persons to enter this country. The delegates called for passage of a free employment practices law in Illinois, with adequate enforcement provisions.

Dean Ernest G. Hildner, Jr., of Illinois College, Jacksonville, was elected moderator, succeeding the Rev. George A. O. McKinley of Prophetstown.
James W. Mull of Quincy was named assistant moderator. Yesterday the group went on record against proposed legislation which would legalize bingo games for charitable, religious and educational purposes.

Mothers Will Be Guests Of Honor

The annual Mother's day service of State Street Presbyterian church will be held Sunday at the morning service. As is the custom, small potted plants will be given to each mother who attends. Rev. Lewis N. Raymond will speak on "The High Price of Love."
Roses will be given to the oldest mother, the youngest mother, the mother with the most children, the mother oldest in church membership, the mother with the largest family unit in church. This observance will mark the fourth time that such recognition has been given in this way and each year it has been a special delight and privilege to witness the fine service of the women of the church.

Poor Man's Philosopher Discusses The Human Hand

By HAL BOYLE
New York—(P)—What to do with the human hand is civilization's biggest unsolved problem.
You probably never thought of your hands as being much of a problem to you. But they are. Hands are a problem to everybody.
They are a problem because nobody knows what to do with them. I found a perfect solution. I bought a yo-yo. Civilization isn't going to make a monkey out of me.
outlet. They can crochet. Men are most at loose ends about what to do with their hands. They fumble and fidget, crack their knuckles, doodle with a pencil, run their fingers through their hair or tap aimlessly on their desks.
I used to have this problem of what to do with my hands. Then I found a perfect solution. I bought a yo-yo. Civilization isn't going to make a monkey out of me.
In the old jungle days when our ancestors were still undecided whether to remain apes or become human beings the hand was a much more important part of the anatomy. The primeval ape man swung through the trees by his hands. He used his paws to grapple for food, fight his enemy and to court his lady ape friend.
Then, as now, he had to live by his wits—but his hands were the tools of his wit. He learned through his sense of touch.
Still Has Ape Memory
Watch any toddling child today. It still has the ape memory in its hands. It wants to seize or touch everything in reach. Every finger is alive with curiosity.
For nothing is more difficult for a child than to hold his hands still. The monkey past is still too strong in him. But it is almost as difficult for grownups, too. Because it is natural for apes and people to express their restless energy through movements of the hands.
What can people do with their hands?
Well, whole industries have risen to try to solve the frustration of civilized people who have no natural way to keep their hands busy.
What To Do With The Hands?
Among them are the liquor industry, the tobacco industry, and the crossword puzzle industry, and the 1,001-page historical novel industry. Millions of people over-eat, over-drink, over-smoke, and over-read because they are nervous and in doing these things they can occupy their hands.
When they say, "I'm at loose ends. I don't know what to do with myself," they really mean, "I don't know what to do with my hands."

Can Now Eat Anything Says Fairbury Woman
Mrs. I. Blair, 501 E. Walnut Street, Feels Better In Every Way After Taking Rentox
"I am 67 years old and in the last several years I could not eat certain foods or drink anything solid, but now this same medicine has helped me to eat and drink anything I please. I am no longer troubled with gas, heart and nervousness and can now get a sound night's sleep. I am no longer constipated and I eat up each morning feeling fine. I cannot thank Rentox enough for it has given me great help."
Thanks for Mrs. Blair
Yes, thanks to Mrs. Blair for endorsing this splendid medicine and telling her experience so that others might have the opportunity of getting relief.
Rentox contains no narcotics, opiates or calomel and can be taken by every member of the family. Many people have endorsed this splendid medicine for relief of rheumatic pain. Why not go to your drugstore today and ask the Rentox Compound. Be sure you get the genuine Rentox at the new REDUCED price, accept no substitute.

Staphorsters Pull Ostrich Act to Avoid 'Evil Eye'
Young girls of Staphorst, an intensely religious and isolated community in Holland, pull their black aprons over their heads as an American photographer, passing in an open car, attempted to get a picture. Staphorsters actually fear cameras and will do anything to avoid being photographed.

Murrayville Club Concludes Season At May Breakfast

Murrayville—Mrs. H. G. Strang was hostess to members of the Murrayville Domestic Science club at her home Wednesday morning. It was the annual May Break and a three course breakfast was served by Mrs. Strang assisted by Mrs. Vincent VanHorn, Mrs. Ludella Seymour and Mrs. Walter Hanback. Mrs. Strang is president of the club.

A short business session was held at which time Mrs. Strang appointed the following program committee: Mrs. J. L. Solomon, Mrs. Vincent VanHorn, Mrs. Mary Kennedy and Mrs. Fred Simpson.

Mrs. M. J. Benscoter, the department chairman of music, presented

Mrs. Mildred Cain, teacher and dramatic instructor at the Murrayville community high school, who presented the following program:

Choral reading by group of grade school students.

Reading—Muriel Akers.

One act play—"Pink and Patches"—by grade school pupils.

The May breakfast concludes the club activities for this year.

PATTERSON

Patterson—Mr. and Mrs. Ernest Todd of White Hall spent Sunday afternoon with Mr. and Mrs. V. L. Hubbard. They all visited in Winchester with Ray King.

Mrs. Richard McGlasson and daughter, Shirley, have returned home after spending part of last week in Alsey with Mr. and Mrs. Earl McGlasson.

Basel Dawdy, manager of the Kroger store in Roodhouse, suffered a severe heart attack while on duty Saturday night and was brought to his home here. He is still unable to return to work, although his condition is improved.

Mr. and Mrs. Paul Dawdy and family, Mr. and Mrs. Earl McEvers and son, Stanley, and Mrs. Mildred McEvers, spent Sunday in Peoria with Miss Naomi McEvers and Miss Katherine Dawdy.

Sunday afternoon callers in the William McClennan home were Mr. and Mrs. Bert Tankersley. Monday visitors were Mr. and Mrs. Russell Karnes of Kincaid.

Bible Class Hears Mrs. John S. May

Mrs. John S. May, clothing teacher at David Prince, presented an interesting history of Jacksonville to members of the Business Girls Bible class, First Baptist church, at their regular meeting Tuesday night at the home of Mrs. Ruth Sparger. The hostess was assisted by Mrs. Tirzah Geuther.

Beginning at 1830, Mrs. May discussed the underground railroad, which her great-grandfather helped to operate. The program was arranged by Miss Isabel Cully.

The next meeting will be a picnic June 7 with Miss Virginia Teter and Mrs. Nellie Morgan as hostesses.

BACKACHE, LEG PAINS MAY BE DANGER SIGN

Of Tired Kidneys

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Mayrose

SLICED DRIED BEEF

SO QUICK TO FIX...
MONEY-SAVING...
AND DELICIOUS!

Recipe:

Dried Beef and Macaroni Au Gratin

1/4 pound Mayrose Sliced Dried Beef	1 cup grated American cheese
10 ounces macaroni	1/4 teaspoon Worcestershire sauce
2 cups medium white sauce	2 tablespoons Vegemite margarine

Cook the macaroni in boiling, unsalted water until tender. Prepare white sauce. Add cheese to white sauce and heat slowly until melted. Add Worcestershire sauce. Cut dried beef in large squares and fry in melted margarine until "frizzled" on edges. Drain macaroni and place on large baking dish or platter. Cover with cheese sauce and top with dried beef. Brown in moderate oven (350° F.) for 15 minutes.

Moose Supreme Governor Will Visit Jerseyville

Jerseyville — Walter Gibson of Oakland, California, Supreme Governor of the Moose, will visit the Jerseyville Moose Lodge on June 6th and in honor of the occasion the Jack Hornell class of candidates, scheduled for initiation by the Jerseyville Moose Lodge on May 9th, will be postponed until that date.

A request for the change in date was made by Dr. Hornell in whose honor the class is named, and was granted by the lodge at their meeting this week.

The newly elected officers of the lodge presided at the meeting for the first time. Eighteen additional applications of candidates were approved. Clifford Heath was unanimously named as manager of the Moose soft ball team. It was announced that the Jerseyville Moose Lodge is recipient of a nine foot Crossley refrigerator received in a recent event sponsored by the Maplewood Lodge.

A Moose Mothers' Onaid Dance will be given Saturday night in the Moose clubrooms in observance of Mothers Day. Orchids and other corsages will be awarded.

C. Of C. Directors Elect McCreery New President

Waldo McCreery, manager of the local J. C. Penney store, was elected president of the Jacksonville Chamber of Commerce Wednesday night.

When the new board of directors held its organizational meeting at the Dunlap hotel.
Edward D. Bargery was named vice president; Jake A. Long was re-elected treasurer and R. Karl Baker was re-named secretary.
The date of the annual meeting was set. The new officers and directors will be installed then. The meeting will be held at the Dunlap hotel at 6:30 p. m., Friday, May 20.
The new board discussed several topics for consideration and future action. Among them were current bills pending in the Illinois legislature. Industrial development in Jacksonville, the publication of a publicity folder, highway improvements and co-operation with the city council in a program aimed at saving the city's elm trees.

FRANKLIN

Franklin—The Boy's R. H. clubs of Nortonville and Franklin held a dance and joint meeting at the high school. Mr. Newingham is sponsor of the Nortonville club and Ralph Dahman is sponsor of the Franklin club.

The meeting of the Friendship class of the Christian church took place at the home of Mr. and Mrs. Harvey Smith.

The Evening Circle of the Methodist church met at the home of Miss Payne Linder. The regular missionary program was held.

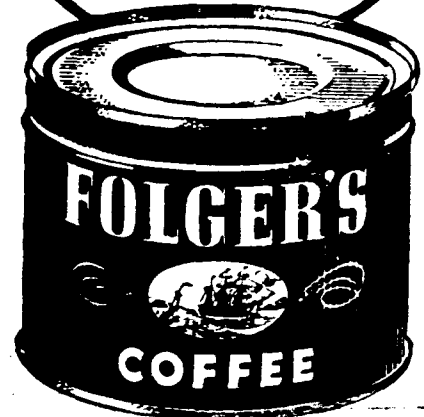

Mr. and Mrs. Herman Rawlings drove to Calhoun county last week to see the apple trees in blossom.

New Look Fading, Slim Silhouette Now Reappearing

The new look seems to be through and the slim silhouette appears to be on the way back, according to fall fashion trends noticed in the second annual fashion fair at New York.

Now more than ever women are trying frantically to take off the extra bulges.

In recent months many weight-reducing preparations have appeared on the market, some of them based on "the diet and vitamin plan," which means cut down on the intake of food and fortify with vitamins for hunger distress.

A survey among drug stores in Illinois shows that one preparation, Renel, which is the outstanding seller in the reducing field, is not based on this vitamin plan.

Any Illinois druggist can supply you with 4 ounces of Renel. Just add this to 12 ounces of canned grapefruit juice and take according to directions. No starvation diet.

The makers of Renel guarantee to refund your money if the very first bottle does not show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves.

Four ounces of Renel costs little and hundreds of Illinois women have highly endorsed it.

Mrs. L. R. Craig Dies At Residence Thursday Morning

Mrs. L. R. Craig, 310 East College avenue, passed away at her residence Thursday at 3:15 a. m., following an illness of four months' duration.

Mrs. Craig was the daughter of M. N. and Ann Tankersley Lewis and was born west of Jacksonville on July 13, 1878. Her marriage to L. R. Craig took place on March 8, 1899. The couple observed their golden wedding anniversary in March of this year.

She is survived by her husband, two sons, Harold of Jacksonville and Byron of Decatur, six grandchildren and one great-grandchild. Also surviving is one brother, L. L. Lewis of west of the city.

A sister, Mrs. Gertrude Killiam, preceded her in death.

Mrs. Craig was a member of Central Christian church and had been employed at the Illinois School for the Blind for the past 20 years.

The body is at the Williamson Funeral Home, where services will be held Saturday at 2:30 p. m. The Rev. Clair E. Malcomson will officiate. Burial will be in Memorial Lawn cemetery.

The family will receive friends at the funeral home from 7 to 9 o'clock Friday evening.

CARNIVAL

By Dick Turner

"I certainly made a mess of chemistry—I haven't had a date out of that class all year!"

Eleven boys have signed up to race in the 1949 All-American Soap Box Derby, to be held here on Sunday, July 17.

The entries are Gary Mullen, car No. 1; James Mitchell, car No. 2; Bill Spires, car No. 3; Billy Lyons, car No. 4, sponsored by Peoria Creamery; Bruce Jackson, car No. 5, sponsored by Boy Scout Troop 110; William Quinn, car No. 6, sponsored by Andrews Lumber Co.; Harold Curtis, car No. 7, sponsored by Baptist Radio Lab.; Jimmy Woodward, car No. 8, sponsored by Earl Boucher; Thomas Robert Coats, Jr., car No. 9; Fred Goodey, Jr., car No. 10, sponsored by LaCrosse Lumber Co.; and Francis L. Hudson, Jr., car No. 11, sponsored by Mills Auto Parts Co.

Applications are being accepted daily at the Cornbelt Chevrolet company, co-sponsor of the race, together with the Journal Courier.

Open to Boys 11-15

Registration is open to all boys between the ages of 11 and 15. Each boy must be accompanied by one parent at the time of registration.

Boys who have delayed entering because they lack a sponsor are reminded that sponsors will be provided for those not having one.

The wheels for the race may be obtained, free of charge to the boy, at either the Cornbelt Chevrolet company, or the B. F. Goodrich store.

Early Registration Urged

Boys who plan to enter the race are urged to register as soon as possible, in order that they may get an early start with the construction of the car.

Although the cars are constructed entirely by the boy himself, a member of the Exchange club, which stages the race locally, is appointed to guide each boy with the building of his racer.

Rules for building the racer are contained in material furnished each boy at the time of registration. The official Derby rule book lists all the information a contestant needs, including rules about car construction, weight, and other valuable tips.

Second Movie Planned

A movie of the 1948 race at Derby Downs, Akron, Ohio, has been shown here several times. The showing of a second movie is being planned.

Every boy who enters the race will receive a handsome prize. Special awards will be given the winners of the various heats.

The grand winner receives an expense-paid trip to Akron, where he will compete in the national finals, along with boys from every part of the country.

Jacksonville Area Swelters From 90 Degree Weather

Jacksonville and community sweltered Thursday from unseasonable temperature that for the third consecutive day promised to reach 90 degrees or more.

The hot weather moved in swiftly the first of this week after several weeks of chilly temperatures. The community reacted promptly by turning off heating plants, flinging open doors and windows, and putting on summer clothing.

No one figured that the hot weather will continue indefinitely—the first day of summer is still more than a month away. But there is nothing synthetic about the present heat. When the mercury climbs to 90, its hot, whether in May or the middle of August.

By Dick Turner

"I certainly made a mess of chemistry—I haven't had a date out of that class all year!"

Eleven boys have signed up to race in the 1949 All-American Soap Box Derby, to be held here on Sunday, July 17.

The entries are Gary Mullen, car No. 1; James Mitchell, car No. 2; Bill Spires, car No. 3; Billy Lyons, car No. 4, sponsored by Peoria Creamery; Bruce Jackson, car No. 5, sponsored by Boy Scout Troop 110; William Quinn, car No. 6, sponsored by Andrews Lumber Co.; Harold Curtis, car No. 7, sponsored by Baptist Radio Lab.; Jimmy Woodward, car No. 8, sponsored by Earl Boucher; Thomas Robert Coats, Jr., car No. 9; Fred Goodey, Jr., car No. 10, sponsored by LaCrosse Lumber Co.; and Francis L. Hudson, Jr., car No. 11, sponsored by Mills Auto Parts Co.

Applications are being accepted daily at the Cornbelt Chevrolet company, co-sponsor of the race, together with the Journal Courier.

Open to Boys 11-15

Registration is open to all boys between the ages of 11 and 15. Each boy must be accompanied by one parent at the time of registration.

Boys who have delayed entering because they lack a sponsor are reminded that sponsors will be provided for those not having one.

The wheels for the race may be obtained, free of charge to the boy, at either the Cornbelt Chevrolet company, or the B. F. Goodrich store.

Early Registration Urged

Boys who plan to enter the race are urged to register as soon as possible, in order that they may get an early start with the construction of the car.

Although the cars are constructed entirely by the boy himself, a member of the Exchange club, which stages the race locally, is appointed to guide each boy with the building of his racer.

Rules for building the racer are contained in material furnished each boy at the time of registration. The official Derby rule book lists all the information a contestant needs, including rules about car construction, weight, and other valuable tips.

Second Movie Planned

A movie of the 1948 race at Derby Downs, Akron, Ohio, has been shown here several times. The showing of a second movie is being planned.

Every boy who enters the race will receive a handsome prize. Special awards will be given the winners of the various heats.

The grand winner receives an expense-paid trip to Akron, where he will compete in the national finals, along with boys from every part of the country.

Jacksonville Area Swelters From 90 Degree Weather

Jacksonville and community sweltered Thursday from unseasonable temperature that for the third consecutive day promised to reach 90 degrees or more.

The hot weather moved in swiftly the first of this week after several weeks of chilly temperatures. The community reacted promptly by turning off heating plants, flinging open doors and windows, and putting on summer clothing.

No one figured that the hot weather will continue indefinitely—the first day of summer is still more than a month away. But there is nothing synthetic about the present heat. When the mercury climbs to 90, its hot, whether in May or the middle of August.

THEY'RE CHANGING!

IT'S TOUGHER!

IT'S SAFER!

Because Now D-X Motor Oil Contains EXTRINOL*

Yes, thousands of motorists have found that ordinary motor oils alone do not give them the complete lubrication protection they need. That's why they're changing to the oil with the "extra"—D-X with Extrinol. This great new motor oil will help your motor deliver extra power because it helps clean your motor while you drive. It protects your bearings against rusting, pitting and wear. And it fights oil-eating sludge. It does these things because it contains the "extra" of Extrinol—at no extra cost.

D-X LUBRICATING MOTOR FUEL HAS AN EXTRA, TOO.

It contains a top quality upper-cylinder lubricant that protects valves, pistons and upper-cylinder parts. Try a tankful!

Rev. Leslie Heuston Coming To Central Christian Pastorate

Central Christian church of Jacksonville has extended a pastoral call to the Reverend Leslie G. Heuston, of Chicago, Ill., a graduate student at the Divinity School of the University of Chicago. Mr. Heuston will succeed the Rev. Roy S. Hulan, who has left the Jacksonville church after a pastorate of eight years, to assume similar duties as pastor of the Ninth Street Christian church, Hopkinsville, Ky.

Marjorie Lewis, Formerly Of City, Dies At Joliet

Chandlerville—Marjorie Hampton Lewis, a former resident of Chandlerville and Jacksonville, passed away in Joliet Wednesday evening, following a lingering illness.

Mrs. Lewis was born near Jacksonville on July 31, 1918, the daughter of Harvey and Ruth Hampton. She was united in marriage with Francis Lewis of Joliet.

Her husband survives, together with two brothers, George of Taylorville and Dale of Jacksonville; a sister, Mrs. Raleigh Crawford of New Berlin; her maternal grandmother, Sarah Jones of Jacksonville; and two aunts, Amy Short of Los Angeles, Calif., and Etta Terese of Jacksonville.

The body is at the Lintner Funeral Home in Chandlerville. Funeral services will be held Saturday at 1:30 p. m. at the Manchester Baptist church. The Rev. Dick Monroe will officiate. Burial will be in Winchester cemetery.

The Heuston family, consisting of Mrs. Heuston and son, Harry, who is 13 years of age, will move to Jacksonville at the close of the university quarter ending June 15. Although Rev. Heuston will preach at Central Christian church on Sunday, May 8, and again on Sunday, June 5, he will not be formally installed to full time service until Sunday, June 19.

Society Installs New Officers At Centenary Church

The officers of the Woman's Society of Christian Service of the Centenary Methodist church were installed Wednesday night at the church. The Rev. John W. Collins had charge of the installation services with Mrs. Chalmers Ebb assisting, and Miss Gladys Howard at the piano.

The installation was held by candlelight. Mrs. Babb had each officer come forward carrying a portion of the emblem of this organization. As they assumed their obligations their part of the emblem was placed in its place on a blue background.

Mrs. Mary Naylor had charge of the devotion and the pledging of each member. Mrs. Armeada Zell brought a chorus of girls from the Illinois School for the Blind, which she directed in the singing of six songs.

Refreshments were served by the committee composed of Miss Minnie Wyatt, Miss Ruth Rapp, Miss Gladys Howard, Mrs. Opal Duncan and Mrs. Sallie Hoagland.

The new officers installed for the next year are Mrs. Olen Gotschall, president; Mrs. Carl Keehner 1st vice president; Mrs. Glenn Ore, treasurer; Mrs. E. S. Hutson, recording secretary; Miss Mary Hackman, assistant recording secretary; Mrs.

Lena Francis, promotion secretary; secretary of spiritual life; and Mrs. Vera Metcalf, status of women.

Clancy's Single Gives Routt Nine 10-9 Win Over Crimson Club

After a series of successive losses, Paul Stroud's renovated Routt baseball team snapped back into its winning ways and downed its intra-city rivals from J.H.S. 10 to 9 on the State Hospital diamond yesterday afternoon.

It was Clancy who lowered the boom in the last half of the seventh inning to give the Rocket athletes their narrow win over Kraushaar's boys. The slender Routt catcher lined a single over second base after two men were dead, to push Joe Sibatani, cf., into scoring. Murphy and Billy Kauffman, across the plate with the tying and winning runs. The Stroudmen trailed 9-8 going into the last half of the "do or die" frame.

Saber Credited With Win
Paul Sner went the route for the winning nine. The big Routt youngster pitched good ball, allowing but one hit. He hurled himself out of some very tight spots at several points in the ball game.

In direct comparison, Bob Kraushaar couldn't find the right combination with any of his Crimson twirlers. Jack Chapman, who started the tilt, was lifted in favor of Ronald Gano who in turn was relieved for Kenny Wright in the waning periods of play. Loose playfield hampered the Crimson hurriers to an extent.

This win was sweet revenge for the Routt boys. The J.H.S. club had soundly whipped them in an earlier game this season. In fact, this was but the second loss of the year for the Kraushaars, who boast an exceedingly fine team. They were administered their first loss by Beardstown several days ago.

Crimson Take Early Lead
The Crimson gang grabbed an early lead when they tallied twice in the initial chapter. The Rockets bounced back in their half of the inning and garnered a single run and then picked up more steam to count twice more in the second inning and so ahead 3-2. Kraushaar's boys soon knotted the count with a score of their own in the second frame.

Two hits and a flurry of wildness on the part of the J.H.S. flinger gave the Rockets 3 more marks in the third inning. They held a 6-3 advantage until the high school boys added a brace of runs to their side of the score in the fifth stanza to come within one run of the Stroudmen.

The sixth frame saw J.H.S. count 3 scores while the Rockets could gain only 2 and the ball game was all tied up at 8-8. The Crimson baseballers pushed across a lone tally in the first half of the seventh to re-gain the lead they had relinquished in the second inning. The Routt nine took its turn at the plate and with two men down and a pair of potential runs on the sacks, Jim Clancy poked his game deciding single into centerfield to give the eastiders the win.

Not a single miscue was chalked against the Rocket nine. Two errors were marked against the J.H.S. club.

The box score:

CHICAGO LIVESTOCK MARKET REPORT

Chicago, May 5 (P)—Livestock showed mixed trends today. Hogs were steady to 25 cents higher, cattle steady to weak, vealers strong, lambs steady, and ewes steady to 50 cents lower.

Good and choice barrows and gilts sold from \$16.75 to \$18.75 and sows from \$14.00 to \$16.50. The day's best level was reached at \$18.85 highest since April 18.

Steers topped at \$26.25 and heifers at \$25.50. Most medium to good steers brought \$22.25 to \$25.00 and good heifers were \$24.00 and \$24.75. Good beef cows topped at \$20.50 and sausage bulls at \$22.00. Vealers established a practical top of \$26.00.

Missing from the day's offerings but good and choice short hogs fetched \$28.00 to \$29.75, the peak for the day.

Hogs on sale ran to 7,000 head, cattle to 4,000, calves to 400, and sheep to 1,500.

Yankees Wallop White Sox 7 To 5

Chicago, May 5 (P)—The Chicago White Sox removed their portable outfield fence today but the move didn't help as the New York Yankees scored a ragged 7-5 triumph to hand the pale hoos their third straight loss.

Only one homer was struck. Tommy Henrich blasted his fourth of the season into the upper deck in right to launch a four run fourth inning rally that gave the Yanks the game.

The Yanks ripped little Billy Pierce for two runs in the first on a walk, two singles and a flyout. After Henrich homered in the fourth, Billy Johnson and Johnny Lindell doubled and Jack Phillips singled to rout Pierce in favor of Max Surkont. Phillips later scored on a double by winning pitcher Al Reynolds.

Reynolds worked the first six innings and held the Sox hitless for the first three. Joe Page pitched the final three heats to safeguard the decision.

Winchester Outslugs I.S.D. Nine 8 To 4

The Winchester Wildcats outslugged the I.S.D. Tigers in a diamond tilt staged on the local club's sod yesterday afternoon. The visiting nine emerged on the long end of an 8-4 count after a hectic afternoon marked by frequent extra-base blows.

The loss marked the third time I.S.D. has come out on the short end of the score this season. The local crew has accumulated a win record of 5 victories.

The Jacksonville club drew first blood in the scoring department. Eddy Raffel clubbed a home run over the Winchester centerfielder's head with Cecil on board in the initial inning to give the host team a 2-0 lead.

Winchester tied the ball game at 2-all in the second inning when Hank-Scott pitched. After Hank-Scott pitched, smashed a four-bagger to right-centerfield.

The Wildcats outfit went ahead in the ball game the next inning. After I.S.D. pitcher, Hood, tained the first two men to face him in the third, three Winchester hitters filled the bases and Pat O'Donnell again tripled. He later scored on a wild pitch to run the score to 6-2.

471 Winchester picked up single runs in the fifth and sixth innings to 4-2 out the game on ice. The local nine garnered a lone score in their half of the fourth frame and Irwin Carlstedt batted out a home run to count their last tally in the last half of the seventh.

Pat O'Donnell, Winchester flinger, was easily the outstanding ball player of the afternoon. The husky Scott county boy held I.S.D. batsmen to five hits, keeping them well scattered. He was also a big gun in the Winchester offense, smacking out a home run and a triple and scoring a trio of Wildcat runs personally.

The Wilsonmen move across town to the J.H.S. diamond Monday afternoon for an intra-city contest with Bob Kraushaar's lads. Their next home game is slated with Waverly next Thursday.

Brooklyn Defeats Cincinnati 7 To 5

Brooklyn, May 5 (P)—The Brooklyn Dodgers and the Cincinnati Reds hooked up in a home run duel today with the Bricks coming out on top, 7-5, on the strength of Bill Cox's eighth inning circuit blow with two mates on base.

All the runs of both teams came in clusters. The Reds took care of Dodger starter Jack Banta in the third with three runs. Hank Sauer doubled a homer behind a double by Danny Litwiler for two marks. The other was scored on two hits and a pair of walks.

Not to be outdone, Barney Shotton's men came back in the sixth with four tallies to finish Red starter Herman Wendrick.

Cox singled home Jackie Robinson after Hermanski had gone around on his single, 2 infield outs and Robinson's one-base blow. Gil Hoeges then whacked his first home run of the year, scoring Cox.

In the eighth, Red Stallcup caught one of Morris Martin's offerings and hit for the circuit, following a double by Hank Sauer. That gave the Reds a one-run margin, which held up only until Cox crashed his round-tripper into the left field stands with Robinson and Roy Campanella on base.

It was the third straight triumph over the Reds for the Dodgers, and Martin, a rookie, received credit for his first major league victory. Campanella's ten-game hitting streak was broke, the best he could do was a walk in the eighth.

Washington Whips Brownies 5 To 3

St. Louis, May 5 (P)—Red Embree cracked as did also the Browns' defense in the eighth inning tonight and the Washington Senators pushed across three runs to hand the last-place Brownies their sixth straight defeat, 5 to 3. Clyde Volmer slammed his fifth home run with a man on and singled across another run for the Nats.

Outside of two innings the Browns could do little with the southpaw slants of Mickey Haefner. Les Moss started the scoring in the second when he followed up a single by Dick Kokes with a home run into the left field bleachers. The Brown's final run came in the seventh on the single by Roy Sievers, Kokes's sacrifice and Embree's single.

The Senators iced the game in the eighth on singles by Gil Coan, Ed Stewart, and Volmer and errors by Eddie Pellagrini and Gerry Priddy.

Feller Takes First Win Over Red Sox In 7-3 Contest

Cleveland, May 5 (P)—With Bob Feller going all the way for his first win of the season, the Cleveland Indians' sluggers crushed the Boston Red Sox 7 to 3 today.

The Tribe did the trick with a big inning, the second. The six runs on six hits in that stanza included Ken Keltner's three-run homer, which was followed on the next pitch by the first Major League homer ever hit by Orestes Minoso, the young Cuban speedster who made his first Major League start only yesterday.

Minoso is getting a trial in the doubtful right field spot. Manager Lou Boudreau's double with the bases loaded drove in the last two runs in that inning.

Feller grew a little wild in the fourth inning, and it cost him a run. With two out, Billy Goodman singled and then the Cleveland fireballer walked Sam Mele, Mat Batts and pinch hitter Lou Stringer, forcing in Goodman.

Joe Gordon hit his fifth homer of the season in the fifth inning to end the Cleveland scoring.

Then Boston started slamming four-base hits. Ted Williams drove out his fifth of the season in the eighth inning, followed in the same inning by Bobby Doerr's first homer of the year.

Minoso received a minor, spike injury in a collision with Larry Doby in the fifth inning. Alie Clark replaced him in right field.

Boston 000 100 020-3 6 0
Cleveland 060 010 00x-7 11 0

Mize's Homer Gives Giants 3-2 Win Over Pirates

New York, May 5 (P)—Johnny Mize couldn't have picked a better spot to hit his 300th major league home run. It came in the bottom half of the 10th inning today to give the New York Giants a 3-2 victory over the Pittsburgh Pirates.

The blow was made off Murry Dickson, who set a major league record last year by giving up 39 home runs. It marked the second defeat for Dickson in this three-game series, all of which were won by the Giants.

Hank Behrman, who pitched the last two innings after replacing starter Sheldon Jones in the ninth, was the winner.

Clive McCullough, hit on the right arm by Jones, was rushed to a hospital where X-rays showed no fracture but a severe bruise which is expected to sideline him for 10 days. His loss leaves the Pirates with Eddie Fitzgerald as the only available catcher.

Pittsburgh 010 000 100 0-2 5 0
New York 110 000 000 1-3 7 1
Sewell, Casey (7), Dickson (9) and McCullough, Fitzgerald (7); Jones, Behrman (9) and Cooper.

Tigers Edge Athletics 6 To 5

Detroit, May 5 (P)—Lefthander Ted Gray, aided by the relief pitching of Paul "Dizzy" Trout and a two-run homer by catcher Aaron Robinson, led the Detroit Tigers to a 6-5 win over the Philadelphia Athletics today.

It was the first victory of the season for Gray, who was lifted in the seventh inning during a two-run rally by the A's. Trout put out the fire and blanked the Mackmen the rest of the way.

It was the third loss as Joe Coleman of the A's who went all the way and gave up 10 hits. He fanned seven and walked six.

The Tigers took a three-run lead in the first inning, but the A's matched that scoring spree in the second. The Tigers got another run in the third and added what proved to be the deciding tallies in the fifth.

Philadelphia .030 020 200-5 9 1
Detroit 301 020 00x-6 10 0
Coleman and Guerra; Gray, Trout (7) and Robinson. HHR: Detroit, Robinson. Winning pitcher—Gray.

Twin-Bill On Tap To Open Season; League Play Starts Monday

By Bob Merris
Journal-Courier Sports Ed.
Play Ball! When that cry trumpets across the diamond Sunday night, the summer softball season in Jacksonville's southside park will officially be underway. With six teams in the "A" and the same number in the "B" league, primed to a red-hot fighting pitch, this 1949 season promises to be one of the most closely contested that Jacksonville fans have ever witnessed.

Favor Ernest Hoagland's will toss the first ball into play this Sunday evening. Two top-drawer games are slated for the opening session. The Jacksonville Moose team will meet a Springfield Moose club in the 7:30 curtain-raiser and the local Implement Dealers' squad will play host to the Ash Street Merchants, also from the capital city, in the 8:45 nightcap.

A committee composed of Jacksonville Recreation Club members has finished compiling the entire schedule for the summer and released it for publication. This year's schedule will be basically the same as last season with Sunday and Wednesday nights reserved for "pay-in" games. A list of "open" dates has been given the managers of the better teams in the league and they will be filled accordingly.

Civic League Plays Tuesday
Tuesday evening is again reserved for the civic league teams. The Rotary, Kiwanis, Lions and Exchange clubs make up this loop.

Monday, Thursday and Friday nights will see the 12 major teams in the city swinging into action. The 12-team senior league is split up into two parts, the "A" and "B" leagues. Movers Brothers, K. of C., House of Clay, Elks, Moose and Implement Dealers comprise the "A" league while squads representing Nesco, V.F.W., Pensil Cola, American Legion, Ruh and Durocher and the Red and White store make up the "B" loop. Each team will play 10 league games.

The summer league is promoted under the auspices of the Jacksonville Recreation Club again this year. This group of sports-minded local businessmen met, and incorporated five years ago as a non-profit organization, for the promotion of recreation for the youth of Jacksonville. The club has expanded into one of the foremost organizations in the city and each year, backs a softball program.

Will Play in Fine Park
The southside park was turned over to the Recreation club in 1943 and since then has blossomed into one of the finest fields in central Illinois. Charles DeSilva, charter president of the group, organized and promoted original work on the diamond.

This year, with Wally Baptist serving as president, the organization has worked since early February to organize the league. They promise Jacksonville fans one of the best organized programs ever realized in local softball history.

The diamond, which is shown in the adjacent map, has undergone extensive repairs the past few weeks. Foremost on the list of new additions is the electric scoreboard which will be operated by remote control from a vantage point behind the screen. The board will show at a glance balls, strikes, number of outs, and which side is batting. Names of both teams playing will be posted conspicuously.

To Broadcast Sunday Games
WLDS sportscastrer, Barney Lewis is planning to broadcast Sunday night games; however, he will not have his equipment ready for Sunday evening's opener. The local radio station also has arranged with this newspaper to cooperate in keeping Jacksonville fans posted on daily schedules and postponements in the event of inclement weather.

With a comfortable seating capacity of 2,000 afforded them at the renovated park, Jacksonville softball enthusiasts are virtually assured of a place to sit while they view their favorites going through the ropes. Matt Fortado will again have his concession stand inside the park and will supply fans with ice cream, pop corn, hot dogs and cold drinks.

Girls Will Play Saturdays
Russ Cole's Jay-Cee girl athletes have carded several games at the diamond for Saturday nights. With the girls filling in the only open night in the week there'll be something going on every evening when the season starts rolling.

Herschel Heaton, softball commissioner for this district, has asked for and has been granted dates for the district and sectional tournaments. The meets will be played on the local field—July 31-August 7, district and August 14-21, sectional. Plans have also been provided for an invitational meet which will be played off during the week of July 10-17.

Besides the regular league games and Sunday and Wednesday night "specials," the club is making an effort to bring the Donkey softball outfit and the Chicago Hot-tens back into town sometime during the summer.

Team managers are reminded to turn in their team rosters and entry fees into Herschel Heaton before they take the field in their initial contest.

League Play-Opens Monday
On Monday night, following Sunday's twin-bill, the 12-team senior league will inaugurate its summer session. We have acquired a complete schedule and, for the benefit of managers and fans, submit it for publication. Managers are asked to clip this schedule from the paper and save it for future reference.

"A" and "B" league games will be played only on Monday, Thursday and Friday nights with the first game getting underway at 7:30 and the nightcap starting at 8:45. The first team named on the schedule is the home nine.

ISLAND OF ESCAPE By Hugh Lawrence Nelson

COPYRIGHT BY HUGH LAWRENCE NELSON DISTRIBUTED BY NEA SERVICE, INC.

THE STORY: Henry Gough Harding, eccentric master of the "New Eden," on Spear Island, has invited, through a matrimonial club, four women to be his guests. One, after a three-month period of acquaintance, will become his bride. But his bride need not expect to share his money. Bea Cosgrove, Mabel Jones, Agnes Firth and Lilly Warren are given each a different colored dress—the badge of her household duties. Bea, who is to cook, shares a room with Lilly. The morning after their arrival, Lilly says that during the night Miss Cosgrove talked in her sleep about "some guy named Jim."

IV THERE was a huge pot of coffee on the back of the stove. Bea had a cup while she stirred up hot cakes and sliced bacon from a side with a razor sharp knife.

Mabel Jones came in the back door to the kitchen. "About time," she said.

Bea stared. The green of Mabel's dress was kind. Obviously Lilly's description of the woman's body was true, but the soft color made her sallow cheeks take on a more lifelike coloring. It gave new depth to her eyes and a sheen to her gray-brown hair.

"Why how nice you look!" Mrs. Jones's face relaxed. She chuckled. "Surprised you too, did it?" She sobbed instantly, went on. "He's super because you're so late."

Lions' Speaker

CLIFTON M. UTLEY

Jacksonville Lions and their ladies will listen to an address by Clifton M. Utley, world affairs expert and radio commentator, at a twenty-fifth anniversary banquet Friday evening at the Masonic Temple. Mr. Utley will discuss the American foreign policy in his lecture, "The World Ahead."

A native of Chicago, Mr. Utley was graduated from the University of Chicago in 1926, after which he was employed by the City News Bureau, the Chicago Daily News, and Associated Press in the capacities of reporter or wire editor.

Later he studied international relations and political science at the University of Munich and the University of Albers in North Africa.

In 1935, at the time of the Ethiopian crisis, Mr. Utley began broadcasting a weekly commentary on foreign affairs, on a Chicago station. This program is still on the air, and is believed to be the oldest foreign affairs commentary continuously broadcast.

At present Mr. Utley is heard on several network programs. He has traveled extensively in all European countries.

Martha J. Lewis New Advisor Of Rainbow Girls

Several new officers were elected by the Order of Rainbow for Girls during a meeting Tuesday evening at Mason temple, at which the members honored their mothers.

Martha Jean Lewis was elected worthy advisor; Sylvia Plouer, worthy associate advisor; Elizabeth Sturm, Charity; Blanche Tankersley, Hope; Mary Lou Stewart, Faith. Other officers will be appointed by the worthy advisor.

The girls entertained their mothers in the dining room of the temple. Jacqueline Katz, retiring worthy advisor, presented Mrs. Mabel Olsen, mother advisor, with a gift. Blanche Tankersley, accompanied by Mrs. Francis Plouer, sang a song dedicated to the mother advisor.

Bingo was played, with prizes in each game. The Rainbow Girls served refreshments and each mother was presented with a potted plant. Rainbow Girls of this city will go to Bushnell, Ill., on June 5 to institute a new assembly.

School For Blind Musicians Please Kiwanis Club

Students from the Illinois School for the Blind provided a scintillating musical program for the Jacksonville Kiwanis club Thursday noon. The orchestra, under the direction of Frederick Meyers, played three numbers, "La Paloma" by Yradier, "None But the Lonely Heart" by Tschakovsky, and "Mignonne" by Fauré.

The girls' glee club presented two groups of numbers, "God So Loved The World" by Stainer, "Were You There" by Howarth, and then "The Happy Peasant Girl" by Krones, "Amaryllis" by Parlow, and "When De Banjo Plays by Wilson. The chorus was under the leadership of Mrs. Arneada Zell.

Leo Flood, a member of the Kiwanis club and the managing officer of the blind institution, introduced the students and gave a brief talk concerning the school. Mr. Flood called attention to the fact that this is the centennial year of I.S.B. and invited Kiwanians to attend the ceremonies which will be held on observance of this anniversary on June 12.

Rev. Arthur Ewert, pastor of the Westminster Presbyterian church, was inducted into the club as a new member. Rev. Ewert was formerly a member of the Danville, Ill., Kiwanis club.

Plan Rites Today For Past Resident Of Chandlerville

Petersburg—Funeral services for Miss Addie Julie Pratt of Oakford, formerly of Chandlerville, will be conducted at 2 p. m. today at the Oakford Methodist church. The Rev. Keith Loveless will officiate, with interment in Oakford cemetery.

Miss Pratt, 74, passed away at 8:55 p. m. Wednesday while a patient in St. John's hospital, Springfield.

A resident of Oakford for the past three years, the decedent lived in and around Chandlerville prior to that time. Born in Cass county, the daughter of Clark W. and Elizabeth Haynes Pratt, she was a milliner by trade.

Surviving are one sister, Mrs. Lily Wiseman of Tallula; and one brother, Charles of Oakford.

Advise DDT Use To Fight Sweet Clover Weevil

If weevils are ruining your sweet clover and injury in the northern two-thirds of Illinois is generally serious, you can save most of the crop by spraying or dusting it with DDT.

H. B. Petty, insect specialist in the Illinois College of Agriculture and Illinois Natural History Survey, says the right dose is one pound of actual DDT per acre. The best time to put it on is when at least three-quarters of the plants show considerable weevil injury.

Petty says DDT gives enough protection to save most of the sweet clover from damage. You can use either ground rigs or airplanes to apply the chemical.

An especially dangerous time for weevil injury is when an old field of sweet clover is plowed under and weevils from that field move over into a new seeding. They can fly about one-half mile.

White Hall Lions Elect Officers For Club Year

White Hall—The White Hall Lions club held a charter dinner at the Presbyterian church Wednesday night and elected the following officers for the ensuing year: President, Mr. Alton P. Seymour; first vice president, Ed Backs; second vice president, Carlos Griffin; third vice president, K. W. Vanderpool; secretary, Ben Nunes; treasurer, Frank Edward Strang; Tail Twister, R. W. Frame; Lion Tamer, George Hansmeyer; directors, Francis D. Piper and Ralph Thomas.

A program followed the dinner with the invocation by the Rev. Walter Wilson; songs by the entire group with Ed Backs leader and Mrs. Bessie Ewart accompanist; a reading by Marilyn Jean Griswold, who is attending MacMurray College, vocalist and Nancy Wheeler, piano; impersonations by Sue Skinner, also of MacMurray College, music by Virgil Bowen, guitarist, and Mrs. W. H. Broeger, piano, and the guest speaker, Lester I. Schriver, L. L. D. of Peoria.

Ashland Woman Feted At Party

Mrs. Donald Waggener and daughter, Beverly Ann, entertained at a surprise birthday party honoring Mrs. Cynthia Waggener.

The event took place at the Waggener home, rural route one, Ashland. Games were played and refreshments were served. The honored guests received numerous gifts.

Those present were Mr. and Mrs. Claude Waggener and sons, Lloyd, Bobby and Carroll of Ashland; Mr. and Mrs. George Waggener, Mr. and Mrs. Harold Waggener and son, David, Mr. and Mrs. Erle Hickey, Mr. and Mrs. Charles Spaenhoven and children, Nelson and Connie Jo, and Percy Sperry of Jacksonville; and Mrs. and Mrs. Donald Waggener. Miss Beverly Ann Waggener and the guest of honor.

Winchester Rites For Ray Coultas

Winchester—Funeral services were held for Ray Coultas at the Danner Funeral Home at 3 p. m. Thursday with the Rev. Ralph Jasper officiating.

Miss Beilby Leach sang "Shadows" and "Beyond the Sunset" accompanied by Gary Stuart at the organ.

Casket bearers were Albert Coultas, Tom Coultas, Dick Coultas, James Coultas, Francis Schaefer and Clarence Taylor.

The flowers were cared for by Mrs. Edna Gustine, Mrs. Iovine Wilson, Mrs. Bernice Nelson and Miss Juanita Coultas.

A large number of people from out of town were present, including friends and relatives from Jacksonville, Springfield, Centralia, Oak Park and Virginia.

Interment was in the Winchester Cemetery.

Three Benefits For Veterans To Expire In 1949

There are three veterans' benefits which expire soon; obtaining specially equipped autos, trucks or jeeps for amputees; the deadline for converting or extending certain term National Service Life Insurance policies which expire in 1949 and that for readjustment allowance policies which expire in 1949 and that for readjustment allowance for unemployment or self employment.

The first benefits concern World War II veterans who lost the use of one or both legs in military service. Applications for automobiles, trucks or jeeps for these men must be made before July 1, 1949.

The conversion or extension of certain G. I. insurance policies; generally, a term policy of National Service Life Insurance is issued for a period of only five years. However, term insurance issued after October, 1940 and before January 1, 1946 has a term period of eight years. Veterans holding such a term policy might, without physical examination, be granted a renewal of the term insurance, or conversion to a permanent type of policy, if the veteran's application is accompanied by two monthly premiums, one for protection provided during grace period, the other for month of reinstatement and is received by the Veterans Administration prior to the expiration of his first term policy.

As an example, a term policy issued June 1, 1941, expires on May 31, 1949 in order to keep this insurance in force without physical examination the application and first premium at the new rate must reach the Veterans Administration before midnight May 31, 1949.

World War II veterans who are eligible for readjustment allowance for unemployment and self employment and who have not used up their period of entitlement may receive allowance at any time within two years after separation or discharge from service or within two years after July 25, 1947, whichever is later.

Veterans who wish further information or assistance in applying for these government benefits may contact the local Red Cross Chapter where help will be given them. The office is located at 203 East Morgan street. Telephone 1844.

Arenzville Legion Auxiliary Plans To Serve Banquet

Arenzville—The regular meeting of the Legion Auxiliary was held Monday night with the President, Lucy Shannon, in charge. A poem for Mother's Day and a prayer were given by Mrs. Lulu Crum, chaplain.

A number of committee chairmen gave their reports. Mrs. Lucile Schnitzer, poppy chairman, reported that plans are being made for poppy day, May 28. The grade school children are working on poppy posters. Plans were discussed and committees appointed for the serving of the Legion auxiliary on May 30. A call meeting of the auxiliary will be held on Monday night, May 16, to complete plans for the banquet.

After the business meeting a social hour was held and refreshments were served by Maxine Beard, Lucile Burrus, Mary Blum and Jeanne Clark.

MacMurray Band, Club Plan Concert

The MacMurray College band and Madrigal club will present their annual formal spring concert Friday evening at 8:15 in Music Hall. The public is cordially invited.

Miss Valera Berry of Bluffs, president of the senior class, will play a cornet solo accompanied by the band, which will be directed by Henry E. Busche.

The Madrigal club, under the direction of Miss Lucille Haney, will give a varied program of nine numbers.

Meredosia Auto Struck By Truck At Intersection

A 1941 Ford coach owned and driven by Angus O. Powers of Meredosia was badly damaged and his wife was slightly injured in a collision which occurred at the intersection of N. Clay avenue and E. Wolcott street Thursday afternoon. Officers Willner and Smith, who investigated the accident, reported that Powers was driving south on North Clay when he was struck by a Ford trailer truck driven by Will Daniel of 589 E. Independence, who was making a left hand turn onto Wolcott.

The entire left side of the Meredosia car was badly damaged. It was later towed to the Cornish garage. Damage to the truck was confined to the front end and left front fender.

Seek Fame Hall Niche For Dorothea L. Dix

There is a strong movement to secure the election of Dorothea Lynde Dix to the Hall of Fame when the choice of the next group of candidates for this honor takes place in 1950, according to the American Journal of Public Health, national professional magazine.

Miss Dix visited Jacksonville in 1846 while on a tour of inspection of the "jails and almshouses" throughout Illinois and her subsequent memorial to the state assembly resulted in the creation of the Illinois State hospital early the following year.

"It is a movement which should have the active support of the public health profession," the magazine declares.

"Dorothea Dix was the grandchild of an active and vigorous physician and apothecary." After the death of her father she tutored in Boston and "in 1841 she volunteered to teach a class organized for women convicts in the East Cambridge jail; and this proved the turning point of her career."

Difficult To Realize

"In the jails and almshouses of this period the criminal, the indigent and the mentally diseased were indiscriminately huddled together under physical and psychological conditions of a barbarity which it is difficult for us to realize today."

"The revelation of conditions in East Cambridge aroused Dorothea Dix to action. Notebook in hand, she visited jails and almshouses from the Berkshires to Cape Cod and prepared a memorial to the legislature calling attention to the present state of insane persons confined within this Commonwealth, in cages, closets, cellars, stalls, pens; chained, naked, beaten with rods and lashed into obedience."

"Her overwhelming mass of evidence and her fervid eloquence prevailed; and a bill was passed providing greatly increased facilities for the care of the insane in the Worcester hospital."

She continued her crusade from the Eastern seacoast to the Mississippi river and by 1850 eleven states had established or enlarged hospitals for the insane.

In 1848 she presented a plan to Congress calling for the appropriation of five million acres of public land to be sold and the proceeds distributed among the states for the care of the insane.

Vetoed By Pierce

It was shelved the first session, passed by the House only in the next session and passed by the Senate only in the next. But by 1854 the bill passed both houses, "only to be vetoed by President Franklin Pierce on the grounds—prophetic of much future discussion of similar issues—that 'if Congress have power to make provision for indigent insane without the limits of this District, it has the same power to provide for the indigent who are not insane and thus to transfer to the federal government the charge of all the poor in all the States... The foundations of charity will be died up at home and the several States, instead of bestowing their own means on the social wants of their own people, may themselves become humble supplicants for the bounty of the federal government, reversing their true relation to this Union.'"

The admission of Dorothea Lynde Dix to the Hall of Fame, the national magazine concludes, "would do more than render a just honor to a great American. It would call attention to the importance of carrying forward the banner which she raised a century ago and at a moment when the advancement of the cause she served is particularly timely."

Oliver Wendell Holmes, W. T. G. Morton and Walter Reed are the only representatives of the health field in the present roster of the Hall of Fame.
